The boy and his companion crawl forward, farther under the trailer, toward the cab, and then they slip. Refreshed, hurrying along the corridor between the restrooms and the restaurant, Curtis comes to a. Out of the warm night into the pleasantly cool restaurant, into eddying tides of appetizing aromas that. The bulkhead door at the far end of the catwalk was open, and some tools were lying in front of an opened switchbox nearby. Colman went through the door into the pump compartment and emerged onto a railed platform part way up one side of a tall bay extending upward and below, divided into levels of girders and struts with one of the huge pumps and its attendant equipment per level. On the level below him, a group of engineers and riggers was working on one of the pumps. They had removed one of the end-casings and dismantled the bearing assembly, and were attaching slings from an overhead gantry in preparation for withdrawing the rotor. Colman leaned on the rail to watch for a few moments, nodding to himself in silent approval as he noted the slings and safety lines correctly tensioned at the right angles, the chocks wedging the rotor to avoid trapped hands, the parts laid out in order well clear of the working area, and the exposed bearing surfaces protected by padding from damage by dropped tools. He liked watching professionals.. "I knew you were suicidal." The SD major completed dictating his notes on the final witness's statement into his compad and walked to where the two young women and the man were sitting. Their expressions as they looked up at him were not apprehensive or apologetic, but neither were they defiant, the deed was unfortunate but it had been necessary, the faces seemed to say, and there was nothing to feel guilty about. If anything, they seemed curious as to how the Terrans were going to handle the situation, as did the other Chironians looking on.. horse as they cross burning desert sands. After "Cool Water" comes a spate of advertisements, nothing. Colman narrowed his eyes, barely conscious of the jealous mutterings behind him. "Well . . . sure," he said cautiously. Sputtering, with cola foaming from his nostrils, face turning as red and. "Really--you just walk in and help yourself. That's how they do things here... for everything." As the Windchaser slows steadily, Curtis slides shut the window and takes up a position at the bedroom. Leilani squinted with righteous indignation. "So you refused to give it to him." "Yes, I knew I was in danger, but that was secondary," Celia told them. "I still can expose the lie. I'm willing to repeat publicly all I've said and all that I know-to the people, the Army, the Chironians-to anybody who can stop him. The system that gives people like Stern what they want drove my husband mad and then sacrificed him. There must be no more sacrifices. That was why I had to get away." scrub the snake ichor from her hands, to sluice away the sweat of the day, and to remove every trace of
