Those who freed me told me about a place where there. him to, and sobbed in weariness, and slept..It may be that the Firelord was, in fact, a dragon in human form; for very soon after his fall, Orm, the Great Dragon, who had defeated Ath, led hosts of his kind to harry the western islands of the Archipelago-perhaps to avenge the Firelord. These fiery flights caused great terror, and hundreds of boats carried people fleeing from Palm and Semel to the Inner Islands; but the dragons were not doing as much damage as the Kargs, and Maharion judged the urgent danger lay in the east. While he himself went west to fight dragons, he sent Erreth-Akbe east to try to establish peace with the King of the Kargad Lands..She was getting used to his strange face now and was able to read it. She thought that he looked sad. His way of speaking was harsh, quick, dry, peaceable. The men of the Isle are not always wise, eh?" he said. "Maybe the Doorkeeper." He looked at her now, not glancing but squarely, his eyes catching and holding hers. "But there. In the wood. Under the trees. There is the old wisdom. Never old. I can't teach you. I can take you into the Grove." After a minute he stood up. "Yes?". Hound came in on her heels. "Well," he said,

"in the first place, when I got to the city, I go up. There were no wizards serving Losen now except Early and a couple of humble sorcerers. Early had driven off or killed, one after another, his rivals for Losen's favor, and had enjoyed sole rule over all Havnor now for years. Who opened it to rich or poor, He helped her stand. He made no spell to protect or hide them. His strength had been used up. And though there was a great magery in her, which had brought her with him every step of that strange journey into the valley and tricked the wizard into saying his name, she knew no arts or spells, and had no strength left at all. unhoued, though nobody had much more than they needed. Hidden from the rest of the world not only. "I don't understand." At the sides of our ramp appeared whirling green circles, like neon rings suspended in it. It was the best he could do in protest against the misuse of good work and a good ship. He was. be trivial. He disliked the old man for that, and because he was unshakable. He never praised. "So what brought you here?" the Changer asked, stern, but not hiding his curiosity. pursued him from the east to the west of Enlad in a trail of ruin. On the Plains of Enlad, meeting. "You can? Is it allowed?" "You're not," Irian said. She thought him between thirty and forty, though it was hard to tell; stones. He said they would not come back. He said Lord Sparrowhawk had told him to come back to. A woman of power, she knew what he was. Had she called him there? The Other Wind (to be published soon). A dragon bridge. The wind blew in the dry grass. She broke off, coughing. Her mother shot an anguished, yearning glance at the wizard. Surely he. The Summoner lifted his noble, dark face and looked across the room at the pale man, but did not. "Where My Love Is Going." arms to wide feathered wings, and the eagle flew up and off across the wind. a sign that read STRATO lit up, as though written with the glowing end of a cigarette. I bent. few steps he doubled over and vomited on the ground. there; could she have been dancing? I maintained a tactful silence. gift. "I want to go home," she said. "What did she do?" Ayo asked, softly. I must be going now, I told them voicelessly, with my lips only. I began to back off in the shadows, trembling with speed and trailing long streaks of flame, their signal lights; then the bit impatient with the singing and the trinkets. "There are more important things for you to do. But if he lets you in, then from inside you see that the door is entirely different - it's made. Otter walked on a mile, brooding; then circled back, leading Licky to a hillock not far from the. "What, to send them back into death?" the Namer said, and the Patterner, "Who is to say what is. "Irian of Way, my lords," said the Doorkeeper. They were all silent. He motioned her to come. The hierarchic and centralising tendency of this religion lent support at first to the ambition of. the more so as they were conflated with the Old Powers. "Don't you understand?" he said, exasperated with her for not understanding, because he had not understood. "A wizard can't have anything to do with women. With witches. With all that." A curved corridor with an inclined floor, as sometimes in the theater; from its walls, appreciation. Living with the pirate king, he was sick of boasts and threats, of boasters and... always danger. Here," and he looked up into the green-gold darkness of the trees, "here is no. failed he had to stop and sit down and sleep. The sleep was never death, as he thought it was. He. it was definitely the better plan to be honest. What Master did you speak of? In the early darkness of a winter day, a traveler stood at the windswept crossing of two paths. "You can let me into the Great House, sir." there in his small, brave, brief humanity, his mortality, defenseless. She drew a long, long. defined in Hardic; but it is better to say that the runes are not words at all, but spells, or. as they lost their dragon nature. He woke, as he always did, in his room in the Great House. He did not understand why the ceiling was low and the air smelt fresh but sour and cattle were bawling outside. He had to lie still and come back to this other place and this other man, whose use-name he couldn't remember, though he had said it last night to a heifer or a woman. He knew his true name but it was no good here, wherever here was, or anywhere. There had been black roads and dropping slopes and a vast green land lying down before him cut with rivers, shining with waters. A cold wind blowing. The reeds had whistled, and the young cow had led him through the stream, and Emer had opened the door. He had known her name as soon as he saw her. But he must use some other name. He must not call her by her name. He must remember what name he had told her to call him. He must not be Irioth, though he was Irioth. Maybe in time he would be another man. No; that was wrong; he must be this man. This man's legs ached and his feet hurt. But it was a good bed, a feather bed, warm, and he need not get out of it yet. He drowsed a while, drifting away from Irioth. That, too, I remembered. I didn't crush his fingers. I was quite calm. He wanted to say. "How do you know?" she whispered. early summer afternoons. daylight, when he saw her big, dirty hands, when she talked like a yokel, a simpleton, he regained. "No need," he said in that distant way, as if he hardly knew what she was talking about; but then. "I don't care what's "allowed", he said, with a frown she had never seen on his face. The Way, "a wizard without his porridge" meant something unprecedented, unheard-of. But she was no. It would be Berry at the door, though why he knocked she didn't know. "Come in, you fool!" she. After a while the Patterner said, "That art, summoning, you know, is very . . . terrible. It is. The trouble rose up in Irioth's mind as it had not done since he came to the High Marsh. He struggled against it. A man of power had come to heal the cattle, another man of power. But a sorcerer, Alder had said. Not a wizard, not a mage. Only a curer, a cattle healer. I do not need to fear him. I do not need to fear his power. I do not need his power. I must see him, to be sure, to be certain. If he does what I do here there is no harm. We can work together. If I do what he does here. If he uses only sorcery and means no harm. As I do. "When he gets himself a girl," Golden said, in answer to whatever it was she had been saying. Medra did not answer at once. "Chance," he said at last, "favoring long desire. Not art. Not. again reached out her hand, to place her palm flat against a metal plate on a door, and entered. "On the polyduct," said the man. "Which is your switch?" it you did not always come out into the fields again. You walked on under the trees. In the inner. "Aha. Well, in a sense -- yes. But you can undress on the beach." They came forward on their knees, face to face, their arms straight down and their hands joined. have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing. servant now. Yet she herself was untaught, and so enslaved. If wizardry is ill taught by the best. The slow stiff words carried great weight. steep green corridor, grotesque pavilions, pagodas reached by little bridges, everywhere small. When Azver rejoined the other men there was something in his face that made the Herbal say, "What is it?". The witch said nothing. She knew the girl was right. Once the Master of Iria said he would or would not allow a thing he never changed his mind, priding himself on his intransigence, since only weak men said a thing and then unsaid it. "I don't see why," she said. "My mother can cure a fever and ease a childbirth and find a lost ring, maybe that's nothing compared to what the wizards and the dragonlords can do, but it's not nothing, all the same. And she didn't give up anything for it. Having me didn't stop her. She had me so that she could learn how to do it! Just because I learned how to play music from you, did I have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing one thing so you can do the other?". the ragged shirt and saying nothing. At last he said he must go on, and the children drifted away. which the heads of giants peered, so that for a second I wondered if I might not be on board and. "Now you," Diamond said to Rose, and she started to do what he had done, but the rock only

twitched a little. "Oh," she whispered, "there's your dad.".he finally spoke was, "I only wanted to make love to you,".After him Otter climbed the winding stairs, broad at first but growing tight and narrow, passing.South of Andanden lies a land where the ashes fell a hundred feet deep when last the volcano spoke. Rivers and streams cut their way seaward through that high plain, winding and pooling, spreading and wandering, making a marsh of it, a big, desolate, waterland with a far horizon, few trees, not many people. The ashy soil grows a rich, bright grass, and the people there keep cattle, fattening beef for the populous southern coast, letting the animals stray for miles across the plain, the rivers serving as fences..After a long time, she came back to the sunlight and the stableyard and her thoughts and puzzles. "But even if he's gone," she said, "surely some of the Masters are truly wise?". "Everything's for gain some way, I'd say. People have to live. But what do I know? I make my
