Irioth, my dear companion, teacher, rival, friend, farewell. Emer, brave woman,..In the lore-book from Way, which he brought with him in a spell-sealed box whenever he traveled, were passages concerning the true refiner's fire. Having long studied these, Gelluk knew that once he had enough of the pure metal, the next stage was to refine it yet further into the Body of the Moon. He had understood the disguised language of the book to mean that in order to purify pure quicksilver, the fire must be built not of mere wood but of human corpses. Rereading and pondering the words this night in his room in the barracks, he discerned another possible meaning in them. There was always another meaning in the words of this lore. Perhaps the book was saying that there must be sacrifice not only of base flesh but also of inferior spirit. The great fire in the tower should burn not dead bodies but living ones. Living and conscious. Purity from foulness: bliss from pain. It was all part of the great principle, perfectly clear once seen. He was sure he was right, had at last understood the technique. But he must not hurry, he must be patient, must make certain. He turned to another passage and compared the two, and brooded over the book late into the night. Once for a moment something drew his mind away, some invasion of the outskirts of his awareness; the boy was trying some trick or other. Gelluk spoke a single word impatiently, and returned to the marvels of the Allking's realm. He never noticed that his prisoner's dreams had escaped him..consecutive stops. Nothing on the turns, either. People got off, got on. At the front stood a..This harmony generally prevailed through the reign of Maharion. In the Dark Time, with no control..uncaring, disembodied eye. He could see only what the flicker of werelight showed just around him..and dignity shrank to impotence..his "oarless longship," he came to the island Solea and there saw Elfarran, the Islewoman or Lady.."That wall is not as deep-rooted as my trees," said the Patterner.
